with a bloke identified as Kenneth Petty, 40.
She responded to commenters who remarked on Petty's status as a Level 2 offender on New York State's Sex Offender Registry.
According to the registry, in April 1995, Petty was convicted of attempted first-degree rape for a 1994 assault that occurred when both he and the victim were 16.
It also notes that he used a knife or

cutting instrument during the crime. He was sentenced to between 18 and 54 months in state prison.

According to New York State Department of Corrections records, he served just under four years and was released in January, 1999.

The website also says that in 2006, Petty was back inside for first-degree manslaughter and served nearly

seven years before being released on parole in May 2013.

When an Instagram commenter noted that he would have been a teenager at the time of the attempted rape, Minaj reportedly clarified the position, stating, "He was 15, she was 16... in a relationship.

"Y'all can't run my life.

Minaj appeared to respond to the haters Monday in an NSFW post, sharing additional photos of herself with Petty.

Before Broadhurst's plea the court also heard Natalie, a receptionist, had been sending another men photos of how wasning.

YOU'VE BOOBED: Busts out could get Lisa busted

Lisa faces **2 YEARS** in jail for topless beach pics

By WENDY THOMAS

LISA Appleton could be JAILED after going topless on a beach on Thailand.

The reality star is in the Far East as she continues to recover from face and eyelid surgery – and a burst abscess that's left her head all bandaged up.

Lisa, 50, went topless as she enjoyed good weather during a stroll on the beach.

But while Lisa's nudity isn't out of the ordinary for the star in the UK, it could land her in hot water in Thailand.

Horror

The law states that Lisa could spend two years behind bars for being nude in public.

The country takes the offence so seriously that in 2014 the Governor of Phuket, Maitree Intrusos, warned tourists about going topless in public.

Officials say: "It's actually against the law and police can arrest and fine transgressors. It's best to remember: When in Rome, do what the Romans do'."

Thai prisons are notoriously atrocious, with prisoners of the infamous Bangkok Hilton telling horror stories of having to stand neck deep in human poo as they are forced to clean sewers.

Female prisoners are also expected to SUCK OFF guards to get food.

Andrew Anderson, 48, Andrew Anderson, 46, was apparently relieving himself having knocked back six litres of cider.
At court he admitted that on August 25 at his home he

conducted himself in a disorderly manner in that he removed his lower clothing and exposed his genitals, causing alarm.

Prosecutor Dev Kapadia said: "The complainer is a 50-year-old woman who was walking her dog at 3pm. "As she walked past a block of flats she saw the accused on a balcony on the top floor. He was topless and his pyjama bottoms were pulled down, exposing his penis and testicles. "The woman shouted up at him, 'Dirty bastard' and 'Put your dick away'. UN ED LOT ED LOT ED LOT

Dear Sam,

I'M a 45-year-old woman and I love being shagged by younger guys. I recently got divorced so a friend took me out to a nightclub where I pulled an 18-year-old hunk.

I got him in a quiet corner out of sight, slipped out of my panties, straddled him and then rode his mighty weapon until he exploded incidence.

stradded nim and then rode his mighty weapon until he exploded inside me.

He didn't last very long, so I went on the prowl. I got chatted up by a few fellas but this tall bald fella took my eye.

I took him back to mine and he was soon pumping me fast and hard from behind. Then he slipped his cock into my bum and I screamed with pleasure when he came in my arse.

Now my pal says she won't go out with me again because she thinks she'll get a bad reputation.

What do you think?

TC, Sheffield

Sam says... FIND a new pal.

Dear Sam,

MY mate's bird loves getting her tits out and a couple of weeks ago, knowing that I'm a keen amateur photographer, she asked if she could

knowing that I'm a keen amateur photographer, she asked if she could pose for me.

I agreed, so she came to my place and it wasn't long before she was naked and letting me snap her right up her fanny.
She's 19, blonde, with massive boobs and a cracking body, and I soon had a rock-hard cock.

Seeing that I was really turned-on, she just smiled and said: "Well, are you going to f* *k me, or what?"

I didn't waste any time and knobbed her twice. I left my camera on and got some great pictures of me doing her.

They were so good she agreed I could send them to an adult magazine and they were printed. But her boyfriend saw them and he's now threatening to do me a mischief.

What should I do?

I dread telling sis about love-rat squash hubby

Dear Sam,

MY sister and her husband always seem happy and go everywhere together, except when he plays squash.

I was passing the squash club one night when I decided to call in, but I was shocked when I saw him at the bar kissing and cuddling a young blonde.

I went and sat in my car. Then my brother-in-law and the blonde came out and got into his van.

I crept over to peep in. I was appalled to see them sucking each other frantically in the 69 position before he mounted her from behind.

I quickly drove to my sister's, but she looked so happy I hadn't the heart to tell her what I'd seen.

Should I tell her that her hubby's a love-rat and risk breaking her heart?

MR, Essex

Sam says...

TACKLE the cheating hubby first, but if he won't give up this girl, then you should tell your sister.

<u>Tipsy first taste of lesbo</u> lust was mind-blowing

But as the night wore on and I got more and more tipsy, the thought of it really began to turn me on.

And when she gave me a goodnight kiss, I was thrilled as she slipped her tongue deep inside my mouth.

As soon as the door to her flat closed behind us she quickly lifted my top, removed my bra and sucked and licked on my erect nipples as her hands fumbled with my zipper.

We moved into the living room, where she pushed me back on the sofa and pulled down my jeans and

Then it was the turn of my sapphic sex buddy. I felt nervous as she slipped off her clothes right in front of me.

She's even done me up the wrong 'un

But I made the mistake of telling my fella and he was angry – not for me cheating on him, but because I didn't let him watch. Should I?

My bird's hooked on me bonking her pals

Dear Sam,

MY girlfriend told me she'd had an erotic dream in

which I was shagging her mate.
She said it turned her on so much that she wouldn't mind if it was real.

I have to say that filled me with much joy because I've wanted to bone her gorgeous mate for ages. Anyway, we all went to the pub one night and had a few drinks before going back to our flat.

Her mate was all over me and soon had my rock-hard cock out and down the back of her throat.

Just as I was about to explode, my girlfriend came over and got me to spunk on her tits.

The two of them then led me into the bedroom and my bird said: "I want you to f**k her really hard.

Randy

So I did as I was told and launched my throbbing dick into her from behind.

She was screaming in pleasure and as I pounded away for all I was worth I could see my girlfriend frantically playing with her fanny until she had a massive orgasm.

Since then my bird has been really randy in bed and she now wants me to shag another of her pals.

Don't get me wrong, I really enjoyed boning her pal but I'm not sure about doing it again with another of her mates because I think it's getting a little too pervy now.

What should I do?

TC, Lancs

Sam says...

ARE you kidding? Most men would kill to be in your position.

Dear Sam.

I'D never had sex in a car before last week – and now I'm wondering if I was right to have done it.

I'm not a snob, though being an only daughter means my well-off father has made sure I've been pampered.
I've had three fellas

before and, though the sex was unexciting, it always took place at my home when my parents were away, so a degree of comfort was assured.

My latest boyfriend. though, attracted me because he's a bit rough and ready and even looks dangerous.

After taking me for a

drink at a rough pub, he drove me to a quiet wooded area and we

started kissing. Soon we were very hot for it and he had my knickers off and his fingers probing me.

I felt so ungainly as he hoisted my legs over his shoulders in the cramped car and entered me with an assured rhythm.

I climaxed with a passion I'd rarely experienced, and he came thickly inside me soon after.

When we'd done, though. my expensive clothes were all crumpled, I was sticky and I couldn't find my undies anywhere.

Have I been undignified?

Sam savs...

OH yes! Great, wasn't it?

League action this evening with both already guaranteed a place in Monday's draw for the last League action this evening with both already guaranteed a place in Monday's draw for the last sixteen. City need just a point at home to Hoffenheim to pip Lyon for first spot in Group while United can only finish ahead of Juventus in Group H if they win in Valencia and the Old Lady of Italian football don't pick up maximum points against Young Boys.

The last German side to beat City in the CL were Bayern Munich (September 2014) who were managed by a certain Pep Guardiola. City won the reverse fixture in Hoffenheim 2-1 and they are 2/11 to beat the Bundesliga side with BetVictor at the Emirates.

Hoffenheim can score goals and the tip must be for City to win and both sides to score at 13/10.

City trail Liverpool by a point in the Premier League after their defeat at Stamford Bridge on Saturday although they're 1/3 at BetVictor to retain their title with the Reds 5/2 after a 4-0 demolition of Bournemouth.

United are unbeaten in their seven previous CL ties against Valencia (W2 D5) and the hosts are struggling in A Liga this season winning just three of their 15 games scoring just 12 times in the process.

The reverse fixture finished goalless at Old Trafford on Matchday 2, but I feel United can edge a low-scoring game. Valencia – who are guaranteed a Europa League spot – are 29/20 with BetVictor with United 15/8 and the draw at 5/2.

Juventus should win in Bern and finish top of the Group – they are 4/9 at BetVictor although the Swiss were, arguably, unlucky not to pick up a point at Old Trafford on Matchday five and have won their last couple of league games scoring six times in the process. Chelsea have won their last eight games in the Europa League and the stats suggest they have been the outstanding side in the competition with the most average possession (70%), best passing accuracy (90.9%) and most successful passes per game (665). Maurizio Sarri's side are one of three clubs who could win all six group games – others Salzburg and Eintracht Frankfurt. They travel to Hungary to meet Mol Vidi in Budapest and the hosts will qualify for the knockout stages themselves if they pick up more points than Bate who travel to PAOK in Salonika.

The hosts are 4/1 at BetVictor with Chelsea 4/6 and the draw 14/5. I expect a tough game for the Blues although you would expect the atmosphere will be influenced by what is happening in Salonika where PAOK can qualify if they win and Vidi lose to Chelsea. Celtic need a point at home to group winners Salzburg to qualify for the knockouts given it looks likely that RB Lelpzig will beat Rosenborg.

The Austrians have scored 15 goals but I would be disappointed if Brendan Rodgers' side could not pick up at least a point. Celtic are 7/5 to pick up maximum points with Salzburg 15/8 and the draw 12/5. I feel Celtic will win with both sides scoring at 7/2.

There was concern about what harpeard by manager Pep Guardiola for handling a difficult week in his career.
